

HEPP68 EDUCATION AGENT ENGAGEMENT AND MANAGEMENT POLICY AND PROCEDURE

PURPOSE

The Education Services for Overseas Students legislation (ESOS) sets out the legal framework governing the delivery of education to overseas students studying in Australia on a student visa. The Australian Government administers the ESOS legislation that governs the registration process and obligations of registered providers. Standard 4 of the code clarifies the requirements as they apply to education agents.

The purpose of this policy and procedure is to insure all SCEI-HE’s approved Education Agents act ethically, have an appropriate knowledge and understanding of the Australian International Education and Training Agent Code of Ethics, comply with SCEI-HE’s policies and procedures and conduct themselves with honesty and integrity at all times.
